Dear Mayor Collins:

Thank you for your email regarding the Midhurst Secondary Plan in the Township of Springwater. I appreciated speaking with you during the recent International Plowing Match, and welcome this opportunity to clarify the matter.

As a follow up, I would like to confirm that we do not plan to review the Midhurst Secondary Plan or the Special Rule in the Transition Regulation. There will be further environmental assessment approvals needed; however, these will follow the usual process as required.

Thank you once again for raising this important topic with me. Please accept my best wishes.

Sincerely,
