

# THE SPRING FAMILY INVITES YOU TO A COMMUNITY MEETING

## FREE EDWIN ESPINAL AND ALL POLITICAL PRISONERS IN HONDURAS

*The Spring Family in Honduras*

**Sunday April 8, 2018 2:00pm  
Elmvale Community Hall  
33 Queen Street  
Elmvale ON**

We are working to free Edwin and other political prisoners arrested and jailed on false pretenses after a stolen election and mass protests. Foreign Affairs Minister Chrystia Freeland recognized the fraudulent elected government but called on it to "protect human rights and ensure those responsible for violations are held responsible." The opposite has happened. Our rural community calls on our government to take a stand and put pressure on the Honduran government.

*Refreshments provided including home-baked goodies*
