

Oro-Medonte enjoys a quality of life that is the envy of much of Canada and the world.
We are blessed with a lovely rural landscape of productive farms, stately trees, clean water,
summer and winter recreation opportunities, and vibrant small communities.

We need a **political leader** who will defend the qualities that make Oro-Medonte (O-M) a wonderful place to live and work.

We need a Mayor and Council who will respect the concerns and wishes of residents and
not cater to the demands and threats of developers.

We need a Mayor and Council who will engage residents in genuine consultation on policy decisions.

We need a Mayor and Council who will make decisions openly, transparently and for the benefit of residents.

Come out for a **Rally to *ELECT* Sandy AGNEW**
